

Kraus & Naimer

BLUE LINE switchgear

since 1907

OFF-ON ~ SWITCH-DISCONNECTORS

Main/Emergency-Off Switch in sloping roof enclosure

NEW
SLOPING ROOF
STAINLESS STEEL
ENCLOSURE

Sloping Roof Isolators
 3 Pole, 3 Pole + Neutral
 & 4 Pole

PRODUCT INFORMATION

- IP65 protection.
- Red / yellow handle as standard.
- Optional black handle available.
- Range from 25A-125A - 3 pole, 3 pole+neutral & 4 pole, complete with 2 n/o auxilliary contacts.
- Brushed stainless steel enclosure, grade 304L.
- The 15° Sloping Roof deflects water and prevents items from being placed on top of the enclosure, making it easier to clean.
- Integral Canopy.
- Other options available on request.
